**InvestorIdeas.com Global Marketplace Update- Connecting Business and Investors in Cleantech**

*Recent Additions include Green Automotive Smart Electrical Retrofit and Solar Integrator*

POINT ROBERTS, WA, Delta B.C., October 11, 2008 **/24-7PressRelease/** -- [www.investorideas.com](http://www.investorideas.com), a leading online global investor resource, updates the Investor Ideas Global Marketplace connecting business and investors in the cleantech and organics sectors. Recent additions include a Green Automotive Smart Electrical Retrofit and Solar Integrator.

The renewable energy/cleantech sector is the fastest growing sector of the marketplace. Accredited green investors can access a private online page with a summary of all current 11 deals (and growing).

Other industries covered in the global marketplace include the water industry, Homeland Security, Music Industry, Oil and gas, Real Estate and other leading sectors.

The Marketplace is a meeting place created for connecting global companies in leading sectors, seeking strategic partnerships, funding, mergers and acquisitions, licensing or branding. Investorideas.com is building a growing a global network of green and renewable energy companies, both seeking funding, partners or management as well as funds, small public companies and Fortune 500 companies seeking investment opportunities.
