**Getting paid has never been this E-Z**

*Sell more jobs with E-Z Cash and guarantee you get paid for every project.*

ROCHESTER, MN, October 11, 2008 **/24-7PressRelease/** -- Rockwood Retaining Walls, Inc., ([www.rockwoodwalls.com](http://www.rockwoodwalls.com)) has teamed up with Price Financial Services, Inc. to offer E-Z Cash Landscape Financing to landscapers across the USA. E-Z Cash offers homeowners affordable and flexible payment options, allowing landscapers to close more sales faster, easier, and for larger amounts.

According to the Joint Center for Housing Studies of Harvard University, 2000 - 2005 was the best five-year period for the home improvement industry. However, with the slowdown in housing and the economy, many homeowners have put their home improvement plans on hold.

But how do you continue to sell more without lowering your price in a tight economic market? The answer is E-Z Cash.

E-Z Cash lets landscapers focus on what matters - building quality landscapes without the worry of getting paid. Plus, with affordable and flexible payment options, homeowners can focus on the landscape of their dreams.

Unlike other financing programs, E-Z Cash is totally hassle free. The landscaper simply prepares their bid, including cost, timeline, and payment schedule and has the homeowner fill out the one page E-Z Application. Then, Price Financial Services does the rest. They will contact the homeowner within 24 hours to explain rate, terms and conditions. Once approved, the landscaper is notified so work can begin.

E-Z Cash can be used for anything related to landscaping - such as retaining walls, paver patios, landscape lighting, sprinkler systems, lawns, trees, shrubs, even outdoor furniture and tools. For more information on how E-Z Cash can work for you, please visit [www.ezcashlandscaping.com](http://www.ezcashlandscaping.com) or give us a call at 888-288-4045.
