CITY OF INDUSTRY, CA, October 12, 2008 **/24-7PressRelease/** -- Bold, brazen and beautiful. These three words sum up the fashion jewelry trend of fall 2008. Rich, strong colors in fashion jewelry are forging its way into the new season. It is now time for fashion jewelry to make a statement and transform outfits from ordinary to extraordinary.

EternalSparkles.com, an online fashion jewelry store is a one-stop-shop for all fashion jewelry needs. Aiming to glamorize women all the way to the top, the company constantly updates its vast collection of fashion jewelry pieces, already ranging in the thousands.

To kick off this fresh new season, Eternalsparkles.com proudly unveils its newest collection of fashion jewelry, fashion rings, and sterling silver jewelry. With hundreds of new fabulous finds, from fashion rings to necklaces, to bangles and brooches, and earrings to bracelets, Eternalsparkles.com has the latest styles in fashion jewelry that is perfect for women who want to be in vogue all season long.

Necklaces with a Dramatic Flair

Necklaces are staple fashion jewelry pieces that any woman must have this fall. Multi-stranded necklaces or layering is a must. Rich in color and style, these fashion jewelry neck pieces have taken the center stage. It is now time for all eyes to be drawn to the neckline, and not the outfit.

Bangles and Cuffs

This fall, it is a crime in the fall fashion jewelry trend to have unadorned wrists. Bracelets, cuffs, and bangles are back with a vengeance. Dainty pieces are out as bracelets stacked in abundance are considered hot this fall.

Circular Fashion Jewelry

Round shapes in fashion jewelry are must-haves this fall. Large hoop earrings are fall fashion jewelry staples. With the necklace craze, pendants or medallions are also must-haves.

The Classic Pearls

The classic pearl comes back into play in this fall's fashion jewelry trend. Experiment with larger pearls, multi-stranded pearl necklaces and bracelets, as well as pearls in different hues and colors.

Rich Colors

The fashion jewelry colors of fall are rich and dramatic. Pick out fashion jewelry pieces in the hues of purple, red, and black. Over-sized fashion jewelry pieces in strong and brazen colors will surely make heads turn.

The fall season is the time for fashion jewelry to shine and be noticed. With EternalSparkles.com having a keen eye for what's hot and what's not in the fashion jewelry industry combined with their continuously updated collection of fashion jewelry pieces, women will no longer have a reason to have bare and unadorned skin.
