**The Professional Association of Resume Writers and Career Coaches (PARW-CC) Launches A New Blog on Word Press!**

*PARW-CC continues to inform the community and professionals supporting the labor market of the valuable resources available to enhance their personal and professional development; ultimately leading to success in helping others reach their career goals.*

ST. PETERSBURG, FL, October 12, 2008 **/24-7PressRelease/** -- Frank Fox, of PARW-CC launched a new blog on wordpress.com. This site provides viewers with information about the history and services that PARW provides to job seekers as they pursue employment opportunities and resources to help them reach their career goals. In addition, individuals and corporate clients can access links to identify a Certified Professional Resume Writer (CPRW), a Certified Employment Interview Professional (CEIP), or a Certified Professional Career Coach (CPCC) in their local area.

About PARW/CC

PARW-CC, the industry standard for development of Career Professionals, provides career development resources to independent business owners, as well as non-profit career centers such as colleges and universities, military bases, workforce development offices, and state Department of Labor Career Centers.
