**MASTERPIECE SOLUTIONS LAUNCHES ART GALLERY SOFTWARE UPGRADE
AND SUCCESS SERVICE PACKAGE**

Leading Gallery Management Software Streamlines Inventory Control and Advances Customer Relationship Management and Marketing Tools

DENVER, CO, October 12, 2008 **/24-7PressRelease/** -- Masterpiece Solutions, the leader in comprehensive point of sale and business management software for art and antique galleries, artists and other independent retailers, today announced the upgrade of its Masterpiece Manager software and the introduction of its innovative Masterpiece Success Package. The advancements give galleries and artists a state-of-the-art, integrated gallery management solution, including advanced inventory controls, customer management, point-of-sale and web integration combined with an effective service program.

Utilized by more than 5,000 independent retailers, Masterpiece Manager was designed for gallery owners by gallery owners to increase the operating efficiency and simplify processes to give gallery owners and artists the freedom to focus on the art and not the paperwork. For nearly 15 years, Masterpiece Manager software has integrated point of purchase with inventory and customer relationship management. The newest version of Masterpiece Manager has advanced those features with a more customer-friendly interface, enhanced reporting capabilities and additional sales tools, while also enhanced capabilities to manage and synchronize the bricks and mortar store front with the online store front.

"Masterpiece Solutions is the one-stop-shop business solutions provider for gallery owners and artists," said Kevin Warr, CEO of Masterpiece Solutions. "Our long history of serving the gallery and artist market combined with what is certainly the most advanced and affordable POS and business management software, Masterpiece Manager, makes us the best business partner for galleries to save time, make money and improve their retail and online image."

As a complement to the new version of Masterpiece Manager, Masterpiece Solutions has also introduced the Masterpiece Success Package, simplifying the relationship and extending a galleries' visibility online. The Masterpiece Success Package includes:

- Free upgrades forever
- Unlimited phone and online technical support
- QuickLink — The system easily synchronizes in-store and website inventory, so galleries can accurately track inventory
- Free listing on ArcherExchange — With more than \$300 million in inventory on ArcherExchange, it has become one of the most visited art websites. Current galleries on ArcherExchange have claimed that it has increased their qualified lead generation by as much as 30%.
