Help for Holistic Health Practitioners through the Rough Economy by Honoring AOM Day

The TCM Directory is a resource center for everything related to Traditional Chinese Medicine (TCM). It enables its users to look for listings that include practitioners, forums, associations, practice building tools, acupuncture schools, herbal and acupuncture supplies and much more.

GANSU, CHINA, October 12, 2008 **/24-7PressRelease/** -- The TCM Directory is a resource center for everything related to Traditional Chinese Medicine (TCM). It enables its users to look for listings that include practitioners, forums, associations, practice building tools, acupuncture schools, herbal and acupuncture supplies and much more.

Practitioners vary from acupuncturists to chiropractors, naturopaths, herbalists, massage therapist and many others.

In honor of AOM Day (Acupuncture and Oriental Medicine Day) which is on Oct. 24th the TCM Directory is offering FREE listings for all practitioners! Especially during these hard economic times, this gift can really act as a practice builder.

Many practitioners all over the world can become a member of the TCM Directory. Prospective patients view the profile of these practitioners and get to know more about them and their practice.

One can read through the several articles on Chinese medicine and acupuncture published by several practitioners on <http://www.tcmdirectory.com/>. One can search for schools for learning on acupuncture/ TCM, Feng Shui, Martial arts and many more.

TCM Directory is an apt place for practitioners to set up their business, become a member of various associations and also publish their own articles and testimonials. Hiring of practitioners is also done here where one can find a suitable place for a career growth.

Practitioners can view many new and different products and supplies available like Chinese herbs, Acupuncture/Moxa, Feng Shui, etc. Educational tools such as Chinese herbs, Acupuncture, Western medicine are available in this site. One can shop Chinese herbal topicals, Feng Shui, Acupuncture Art & Apparel, Qi Gong Chinese Herbs and much more.

A very interesting and useful feature of this TCM Directory is the distance education offered for practitioners. They can view the different schools for their learning and also select schools by location. There are offers to learn in their own location, distant locations and also overseas. Practitioners can practice their learning and also at the same time continue their education. This feature is really of great use for budding practitioners who aspire to learn while they practice. Apart from this one can find latest news on Acupunture Blogs, Chinese medicine, Western medicine and alternative ones.

For practitioners to note, TCM Directory is offering a one time special on October 24th, 2008 which is AOM Day (Acupuncture and Oriental Medicine Day) FREE sign ups for all health practitioners. This special offer is to help practitioners during this hard economic time. The TCM Directory is the number one practice building directory that will help ones practice grow for the better. Practitioners can reap this offer and benefit themselves. Practitioners can sign up and update their profiles and thereby make the best use of it. To take advantage of this special offer, go to <http://www.tcmdirectory.com> and sign up with coupon code aomday.
