Dallas Exotic Car Rental Company Has Perfect Christmas Gift for Confirmed Gearheads

Special 20% off Incentive for Early Christmas Shoppers on 2000 Horse Power Exotic Car Driving Tours

DALLAS, TX, October 14, 2008 **/24-7PressRelease/** -- Even skilled shoppers can be stumped when Christmas shopping for a hardcore car guy. After all, as much as he would love it, it probably is not practical to put the latest sports car in the driveway. A Fort Worth-based entrepreneur has a creative solution for those desperate to find a [unique holiday gift for an auto aficionado](#).

DFW Drive Your Dream (<http://www.dfwdriveyourdream.com>) owner Ron Sturgeon said, "Putting a car fan behind the wheel of five of the world fastest and most fun-to-drive cars never fails to delight."

Drive your Dream 2000 Horsepower Tour is an exotic car driving experience that allows participants to drive some of the most sought after cars in the world. The dream driving is not confined to a track; instead, it covers a 150-mile stretch of open road selected for its scenic beauty and capacity to showcase each car's capabilities.

At only \$695, the half day 2000 Horse Power Tour has consistently been our most requested tour," said Sturgeon. It features the [Chevrolet Corvette Z06](#), [Dodge Viper SR-10 Convertible](#), Ferrari 360 Spider, [Lamborghini Gallardo Coupe](#), and the [Porsche 911 Cabriolet](#).

Those booking a pair of tickets to a 2000HP tour during November can save 20% on the purchase of a second ticket. Both participants can drive or the second ticket allows the gift giver to ride along as a passenger and double the drive time for the gift recipient behind the wheel. "Getting the second ticket is popular at Christmas time because there is nothing like being there in the passenger seat to see how much [driving a Ferrari](#) and Lamborghini in the same day really means to your loved one," said Tom Warren, General Manager of [DFW Drive Your Dream](#).com.

Gift certificates for the tours are available and DFW Drive Your Dream offers tour dates in [Dallas-Fort Worth](#), Austin, San Antonio, and Houston. Every tour includes full instruction on driving each of the cars, lots of high fives and unlimited photo opportunities to preserve the memories.

"[Renting an exotic car in Dallas](#) is a superb way to make an evening out special, but it doesn't compare with driving five exotic cars back-to-back," said Sturgeon. "An exotic car driving tour gift certificate is a sure fire winner for any true car guy's Christmas stocking," insisted Sturgeon.
