Online Gambling Guide Publishes New Online Casino Reviews

Despite some difficulties in the United States market, new online casinos are still launched with regularity. Fair Online Gambling, an independent online casino guide, reviews some exciting new options for US gaming enthusiasts.

BRAMLEY, GP, October 15, 2008 **/24-7PressRelease/** -- Fair Online Gambling is an online casino and gambling guide that advocates game fairness and integrity, and presents trustworthy wagering options to site visitors. The guide regularly reviews new online casinos and other gambling sites, and publish unbiased views on the merits and demerits of each.

"Regardless of the legal challenges the industry faces in the United States, the launch of new US-friendly online casinos certainly has not slowed down," said Ryan D, the founding editor of [Fair Online Gambling](#). "Launching a new site certainly requires a lot of forethought these days, so we are finding that the quality of new entrants is better than it used to be." During September and in the first week of October, a few very interesting casinos being reviewed by the online gambling guide.

"There seems to be a trend of people with significant prior experience in the industry launching new sites," Ryan comments.

In September, Fair Online Gambling added two relatively new Microgaming powered casinos from the Villento Brands Group, [Casino Villento](#) and [Rich Reels Casino](#). This group was started by a group of people who were previously executives at other Microgaming operators and the experience shows. "As a relatively young Group, Villento has already shown that it has all the experience you'd expect from a top tier operators, and player feedback about this group has been very positive." Both casinos offer in excess of 350 games, with new games being launched each month.

Last month, a player from the United States won almost one million dollars playing the Major Millions progressive slot at Rich Reels Casino. "This is the biggest win on this game in years, and it certainly does a lot to boost the profile of Rich Reels," added Ryan.

Next up is the new Rival Powered casino, [Absolute Slots Casino](#). In addition to the magnificent I-Slots, they offer two unique slots of their own. The casino has a very attractive deposit bonus and players have responded very positively. "The Rival Gaming software has come on in leaps and bounds and has become the favorite of many players. They are starting to sign up a lot of operators and more importantly, their operators are building up a very good reputation," says Ryan. Absolute Slots offers number of lucrative sign up bonuses.

Another new Rival Gaming powered casino reviewed at Fair Online Gambling is [Club Vegas USA Casino](#). Fans of the unique story-based I-slots from Rival will be happy to learn about this new casino, which is run by the same operators as Pantasia Casino, one of the very first Rival powered casinos. This casino welcomes all players including those from the USA, and offers an innovative reload bonus structure to go with the 300% sign up bonus. Players are guaranteed up to \$20,000 in bonuses over their first 200 deposits at the casino.

These new casinos offer players from the United States with some great new options and they are all pretty innovative when it comes to payment methods, offering credit cards, debit cards and prepaid cards that are secure and convenient.
