DesigningCrossing Membership Provides Free Access to 90-Plus Niche Job Boards

DesigningCrossing, the world's leading design job portal, has announced free access to its 90-plus niche job site affiliates with membership to any one.

PASADENA, CA, October 15, 2008 **/24-7PressRelease/** -- DesigningCrossing (www.designingcrossing.com) currently has about 7,000 design jobs in its database, and members can access over 1.5 million other jobs listed on its affiliate niche job boards.

"Keeping in view the growing needs of design professionals looking for greener pastures in other industries, DesigningCrossing has opened the doors for members to access our other niche job boards," says A. Harrison Barnes, CEO of DesigningCrossing. "These job boards offer exclusive openings from a wide variety of industries, including architecture, CAD, construction, advertising, marketing, information technology, human resources, consulting, and many more."

All the 90-plus job boards are similar in look and feel to DesigningCrossing and are backed by extremely powerful search functionalities, including the ability to:

Search by Job Title

All of the job boards have compiled a list of the top job titles in their respective industry and displayed said list on the given homepage. "Job seekers can easily search for their preferred job titles with a single click," adds Barnes.

Search by Geographic Location

Every single one of the 90-plus job sites allows members to search for jobs geographically. "Job seekers can target their job searches by country, state, city, zip code, radius in miles, and/or an extremely handy US map," Barnes notes.

Search by Keywords

All of the job boards also offer keyword search, whereby job seekers can search for specific keywords in job titles and/or job descriptions.

"The current economy is teetering on recession, and layoffs are rampant. The niche concept in job search has outsmarted the traditional approach, and DesigningCrossing and its affiliate niche job sites have gained immense popularity from their collections of exclusive jobs," says Barnes.

DesigningCrossing charges \$29.95 per month from job seekers, although the website is absolutely free to members for the first seven days. A DesigningCrossing member can also access the other 90-plus Crossing sites absolutely free for the first seven days.
