Umniah Revamps Ana Shabab Package

Umniah, Jordan's pioneering provider of telecommunication services, recently announced that it is revamping its already successful Ana Shabab line.

AMMAN, JORDAN, October 16, 2008 **/24-7PressRelease/** -- Now revamping , the youth targeted line, with more competitive features than ever before, the Company is fulfilling its commitment to offering convenient, cost effective means of communication, compliant with its clients' diversified needs. In addition to the standard Ana Shabab JD1 Monthly subscription fee & the Umniah per second billing system, the new revamped Ana Shabab package comes with lower billing rates for calls made within the Umniah network and calls from Umniah to any other network as well, in addition to the reduced SMS rates of 1 piaster, subscribers can now forgo the SMS bundle The new Anna Shabab package also offers subscribers the opportunity to select one Super Number to contact for free at all times of the day
Commenting on the new package, Umniah Core products Manager, Mr. Zaid Ibrahim said, "We at Umniah are not complacent when it comes to satisfying our clients' needs. This package comes in response to the communication demands of youth, Umniah is leading GSM in the market by launching offers that gives its subscribers value for money and other special services . The new Ana Shabab package promises accessible means of communication at competitive pricing, and this, in turn, echoes our commitment to periodically re-evaluate our services, and re-vamp them to adhere to the changing demands of our surroundings."

It is important to note that, those wishing to subscribe to the Ana Shabab line may do so by visiting any of Umniah showrooms.
