Search Office Space (SOS) OBCAI Associate Member Leadership Award Winner 2008

Daniel Soffer, Vice President of Search Office Space (SOS) North America was the recipient of the OBCAI Associate Member Leadership Award 2008, awarded at the OBCAI convention in Orlando at the end of September.

NEW YORK, NY, October 16, 2008 **/24-7PressRelease/** -- Daniel Soffer, Vice President of Search Office Space (SOS) North America was the recipient of the OBCAI Associate Member Leadership Award 2008, awarded at the OBCAI convention in Orlando at the end of September. The prize is given to individuals in recognition of an outstanding contribution to the industry.

Search Office Space (SOS) also accepted the Web Broker award for partnering the OBCAI industry, confirming its status as a top 3 broker in the United States. SOS were the first ever executive office brokers in the UK, first established in 1993, and is proud today of calling itself the original global office broker, listing over 6000 business centres worldwide.

Search Office Space (SOS) provides a free online and offline service for users to search for executive office space globally. This outstanding service is free and impartial and SOS prides itself on its personal and professional service to every enquiry received.

For businesses requiring an executive office space anywhere in the world, Search Office Space (SOS) can handle the search, making it hassle free for prospects looking for office space to lease. The broker provides great and accurate short listings of office space, matching the prospect requirements and also arranges tours on the client's behalf.

To find your ideal executive office space, call Daniel Soffer today on 888-989-0006 or email sales@sos-america.com. Alternatively, to make your own selection of offices and receive a free quote, go to www.searchofficespace.com

About Search Office Space (SOS)

Search Office Space (SOS) is an agency specialising in serviced offices and business centres for over 15 years. SOS help clients find serviced offices (and managed, flexible business centers) in any worldwide location, with no finders fees (we are paid by the landlord).
