West Campus Living to List Campus Acquisitions' Texan West Campus and The Vintage

West Campus Living has partnered with Campus Acquisitions in an exclusive MLS listing agreement for two of the company's student housing developments in the University of Texas at Austin's West Campus community.

AUSTIN, TX October 16, 2008 **/24-7PressRelease/** -- West Campus Living has partnered with Campus Acquisitions in an exclusive MLS listing agreement for two large West Campus apartment complexes, Texan West Campus and Vintage West Campus.

The Texan West Campus, built in 2005, offers 8 different floor plans across 62 units, ranging from one to four bedrooms. Unlike other West Campus apartments, Texan West Campus features designer finishes such as stainless steel appliances, ceramic tile kitchens, and walk-in closets, as well as a rooftop pool and a controlled access parking garage. Vintage West Campus is West Campus' newest property scheduled for completion in Summer of 2009. It offers 11 different floors plans across 62 units as well as a controlled access garage and fitness center. Vintage West Campus will raise the bar for luxury features in the area with cherry cabinets, wood floors, dark wood crown molding, dark wood blinds, track lighting, and more.

"We're eagerly anticipating an exciting leasing season working in partnership with Campus Acquisitions to market these fantastic properties," says Gus Rojo, president and broker of West Campus Living. "Texan West Campus has always been a student favorite, and we're confident that Vintage West Campus will exceed everyone's expectations."
