**Parenting expert and Pet expert join forces to discuss: Kids and Pets**

*Pet Expert, Harrison Forbes [www.harrisonforbes.com](http://www.harrisonforbes.com) states this week on Parents Rule! [www.parentsrulewithpat.com](http://www.parentsrulewithpat.com) that most often it is not a good idea to bring a pet into a home with a small child.*

SUWANEE, GA, October 16, 2008 **/24-7PressRelease/** -- Pat Montgomery, parenting expert, welcomes Harrison Forbes, pet expert and host of nationally syndicated Pet Talk, to Parents Rule! this week. Many parents think about getting the kids a puppy for Christmas...is this a good idea?

According to Montgomery, pets can help parents teach responsibility to kids.

Forbes adds that the right conditions need to exist for that to happen: kids the right ages, picking the right pet, and more.

Their timely discussion will include:

Bringing a baby into a home with a pet

Bringing pets into a home with kids

What pets are best for kids

How to protect the pet from the kids

And so much more!
