**Creadively, LLC opens Creadively.Com**

*Social media company Creadively, LLC has recently launched a new website offering an interactive blog, a project page outlining the company's latest activity, and general content outlining the company's direction and goals.*

GREEN BAY, WI, April 30, 2009 **/24-7PressRelease/** -- Creadively.com is a dedicated social media developer aimed towards web 2.0 minded businesses and products. Understanding that online marketing trends are currently shifting from tired and over-used models towards newer, intelligent and more focused sales techniques, Creadively is launching their vision via Creadively.com. Businesses interested in growth through the innovative possibilities of web 2.0 will find a number of questions answered at the company's newly launched site. With the company's highly focused channel targeting, intelligent behavioral analysis and intricate market segmentation, Creadively strives to provide businesses with the sales and exposure that their brands need to thrive in the online world of today.

Founded in Spring 2008, [Creadively, LLC](#) is an interactive [social media publishing company](#) that produces innovative and engaging social media websites and applications in an attempt to create the best experience for end users. The company is a fast paced, project-oriented startup with precise media goals: to transform great ideas into interactive 2.0 products, applications, services and communities. The company prides itself for being markedly different from its competitors in that [Creadively](#) is managed and staffed by internet professionals with a combined industry experience of more than 50 years. With their shared expertise, Creadively's specialists work hand-in-hand in creating high-quality sales campaigns with specific objectives complete with swift results.

Creadively's initial offerings are approaching release phase. VGPro.Com, a video game and gamer portal, has recently ended a public beta phase and is currently being refined for a late Q2 release. An as yet unnamed online greeting card and invitation design and printing portal is planned for a mid Q2 open beta.

Creadively, LLC is a Wisconsin based social media company. Founded in 2008 it has grown steadily to a staff of five developers and continues to expand today with job openings currently listed on the website.
