

Document Management Company, MES Hybrid Document Systems Inc., Adds Lead Development Representative

MES Hybrid Document Systems Inc. welcome Gloria Baraoed as a new lead development representative to support new business acquisition initiatives.

MARKHAM, ON, June 12, 2012 /24-7PressRelease/ -- [Document management](#) company, MES Hybrid Document Systems, Inc., announces the addition of a new lead development representative. Gloria Baraoed has joined the company to support new business acquisition efforts.

Specifically, Baraoed will engage with community business members to discuss any document management challenges they may be experiencing. She will also coordinate value-added seminars between interested parties and MES Hybrid. Throughout the southern Ontario area, Baraoed will develop and foster strong relationships with industry leaders. Her overall effort will be focused on supporting the company's sales team in targeting and acquiring new business.

"We welcome Gloria as an integral part of our sales team," said Kevin D'Arcy, vice president of sales and marketing at MES Hybrid Document Systems, Inc. "Her broad-based experience will help us bring peace of mind to our clients by addressing their issues and becoming their preferred document management vendor."

MES Hybrid Document Systems, a supplier of document management solutions since 1971, provides consulting, conversion services, hardware solutions, document scanning and electronic/analogue document management systems. The goal with every client solution is to improve efficiency, increase competitiveness and contribute to bottom-line savings.

About MES Hybrid Document Systems Inc.
