

Leur Lab Integrated Aesthetics Introduces Patent Pending L-Fix Membership

Revolutionizing the way consumers approach aesthetic treatment, maintenance and prevention, Leur Lab has unveiled their signature, patent pending L-Fix Membership available in 6 or 12 month package options.

NEWPORT BEACH, CA, May 20, 2013 **/24-7PressRelease/** -- Pioneering the next generation of non-surgical treatments, Leur Lab Integrated Aesthetics has introduced a patent pending laser and aesthetic device program entitled the L-Fix Membership. Designed to create a partnership between clientele and Leur Lab's experts, the L-Fix Membership provides monthly access to some of the best proven lasers, radio frequency and light therapy treatments on the market. Available in three value rich tiers for both 6 and 12 month commitments, the L-Fix Membership is similar in function to a gym membership providing comprehensive treatment, maintenance and preventative solutions. This no hassle membership addresses skin care needs and aesthetic rejuvenation through monthly treatments and regular protocols. Concerns such as Pigmentation, Acne, Melsma, Aging, Scars, Stretch Marks, Loose/Lax Skin as well as Fine Lines and Wrinkles are able to be addressed effectively through the L-Fix Membership.

Each L-Fix Membership program is custom tailored to specifically target each individual client's aesthetic concerns in order to maximize their time while progressively attaining the results desired. This innovative approach to aesthetic device therapy brings the most efficacious personalized laser, light, and radio frequency treatments to clients monthly, making them more accessible and affordable than ever before. Each client is able to customize their selected procedures from the Leur Lab laser and aesthetic device collection featuring state-of-the-art devices. This unparalleled approach to aesthetic maintenance ensures proper measures are taken to treat, prevent and maintain a youthful appearance while improving skin's condition on a monthly basis. The L-Fix strategy also tailors each client's aesthetic regimen to specifically target the individual needs of each unique patient, incorporating essential prevention and maintenance components which amplify results.

The L-Fix Membership is unlike any other membership, awarding patients the long lasting results desired with an unsurpassed value. Each L-Fix Membership is customized monthly and discounted from regular Leur Lab pricing depending upon which tier each client selects for their first six months or year of enrollment. Additionally, as an added bonus, each L-Fix Member will receive 10% off of any other service(s) purchased outside of the membership each month including, but not limited to: fillers, Botox, facials, and designer treatments. (Excluding brow and beauty services as well as retail products).

"As a member of the National Society of Cosmetic Physicians and American Academy of Aesthetic Medicine, myself and my team are committed to seeking out and providing our valued clients with the most advanced aesthetic device procedures while ensuring their flawless application through highly trained professionals."- Dr. Michael M. Dao

About Leur Lab Integrated Aesthetics:

Leur Lab , a 100% non-surgical premier facility of its kind, combines the essential principals of inner and outer beauty with the latest advances in non-surgical aesthetic procedures. Proudly offering one of the most comprehensive practices in Southern California, Leur Lab specializes in designer treatments and combination therapies, designed specifically to maximize treatment results while minimizing social downtime. Through their patent pending L-Fix membership, the broad spectrum of preventative, maintenance, enhancement and corrective treatments are more accessible and affordable than ever before. Leur Lab's innovative approach has created a new vertical within the aesthetic industry while challenging modern day perceptions. The flagship location is located across from Fashion Island Mall at 359 San Miguel Drive, Suite 300, Newport Beach, California, 92660.
