

Premier Surfaces Discusses Why a Kitchen Renovation Is Worth Considering

This top-rated Atlanta granite counter supplier has everything you need for a kitchen makeover that will have you wanting to spend more time in the kitchen.

ATLANTA, GA, May 29, 2014 /24-7PressRelease/ -- The modern American kitchen is not just for cooking and washing dishes any more. Increasingly, it has indeed become the heart of the home where so much more happens than just meal preparation and cleaning up.

As such, it makes sense that kitchens have not only gotten bigger, but also have become more integrated with the rest of the house. If your kitchen is stuck in the 1950s, it's time to consider a makeover and bring your kitchen into the new millennium. Aside from giving your family more space that is conducive to family bonding, a modern kitchen delivers a return of up to 80 percent when you decide to sell your home.

For big or modest kitchen renovation projects, Premier Surfaces can provide you with the perfect countertop for your kitchen. As a well-known [Atlanta granite countertop](#) company, Premier Surfaces has an impressive selection of natural stone slabs at great prices. Installation is done by experienced and highly trained full-time employees who will treat your home with care and respect.

"Customer satisfaction is our top priority," says Dara Summers, Vice President of Sales and Marketing. "We are proud to say that much of our business comes from the recommendations of our clients. From the careful selection of our products to the professional installers, everything we do has our clients' satisfaction and well-being in mind."
