

New Superyacht Construction Available with Denison Super Yacht Division

Denison Super Yacht Division announces the availability of Mondo Marine M60 Hull #2 fast displacement superyacht for immediate construction.

FORT LAUDERDALE, FL, August 13, 2014 **/24-7PressRelease/** -- Denison Super Yacht Division has announced that the Mondo Marine M60 Hull #2 fast displacement superyacht, available for immediate construction.

The [superyacht brokerage](#) is the exclusive North American dealer for the respected Mondo Marine shipyard based in Italy.

The news comes following the sale of M60 Hull #1 at the prestigious Monaco Yacht Show in 2013. M60 Hull #1 is currently under construction and scheduled to make her international debut at the Monaco Yacht Show in 2015.

The sistership, planned for construction by Mondo Marine, is offered exclusively by Denison Super Yacht Division and boasts a short construction period of less than two years.

Superyacht broker Alex Clarke of Denison Superyachts commented "We're very pleased to be able to offer this stunning vessel through our partnership with Mondo Marine, Hull #1 is nearing completion, and this is an amazing opportunity for a high calibre superyacht purchase the owner can adapt to their tastes."

The [Mondo Marine M60](#) can accommodate a five or six cabin layout, with options for a spa, beach club and expansive tender garage. Other features include an elevator to service all decks and optional touch and go helicopter capabilities. The range of the fast displacement vessel will be 4,000NM, with a top speed of close to 20 knots, making this a luxurious way to discover the oceans.

Expansive deck spaces make this superyacht an ideal choice for those wishing to socialise with friends and family. One of the advantages of choosing a new construction luxury yacht is that the owner will be able to influence the interior design to accommodate their personal style and tastes.

Mondo Marine M60 Hull #2 is available for sale at an asking price 40,000,000EUR.
