

Sprite Media and AC Video Solutions Form Digital Signage Agreement

Providing custom video displays for Tri-State area businesses.

NEW YORK, NY, March 31, 2016 **/24-7PressRelease/** -- AC Video Solutions is pleased to announce an agreement with acclaimed digital signage provider Sprite Media. ACVS will provide system integration, service and support in the New York and New Jersey areas. Products will include video walls, live television in signs, video distribution, touch screens, 4K video presentations, and video art walls.

"We are excited to be working with Jeff Schick and his incredible team at Sprite Media," said Andrea Cummis, Managing Partner AC Video Solutions. "Their custom media displays are stunning and their pricing is well within the reach of small to medium-sized businesses as well as larger organizations."

Sprite Media specializes in video display solutions and information/advertising services for the broadcast industry. Their systems allow clients to take advantage of sales opportunities by utilizing on-screen branding and flexible content scheduling. By consolidating real-time data from a variety of sources, they customize the output on a video display in order to provide users with the important information they need - when they need it.

"As veterans in broadcast engineering," stated Jeff Schick, Sprite Media's Director of Technology, "Andrea and I share a common goal to provide the best products, service and support possible. The talented group at AC Video Solutions reflects that philosophy and we are proud to be able to work together moving forward."

AC Video Solutions specializes in Video System Design and Integration, Digital Signage, Live Event Streaming, A/V System Design and Installation, Operations and Technology Consulting, Studio Design and Construction, Service Contracts, as well as Video Production Services.
