

AC Video Solutions Becomes A Registered Women's Business Enterprise With The Port Authority Of New York And New Jersey

The Port Authority relies on certified WBE vendors to ensure the integrity of their procurement processes.

NEW YORK, NY, September 13, 2016 **/24-7PressRelease/** -- AC Video Solutions parent company, AC Construction and Racing LLC, has been officially recognized as a woman-owned business by the New York and New Jersey Port Authority. Consistent with its long standing commitment to maximize business opportunities for small, minority and woman owned business enterprises, the Port Authority conducts its own certification process for each of these categories and may set aside various procurement opportunities, or establish good faith goals, for participation by certified M/W/SBE contractors in certain contracts.

The objective of the Port Authority is to identify companies who, based upon their qualifications, experience, and proposed cost, are aligned with the project needs and offer the best value to the Port Authority. "We are honored to be recognized by the NY/NJ Port Authority," said Managing Partner Andrea Cummis, "and look forward to providing superior technical services, broadcast engineering consultation, and experienced personnel to various projects moving forward."

"We have continued to develop, grow, and diversify as a company over the past 15 years," continued Cummis, "and believe that the opportunities available through the Port Authority bidding process, along with their commitment to economic growth in our region, will propel us to an even greater level of success."

The New York and New Jersey Port Authority strives to maintain the highest levels of honesty and public trust in all its endeavors and relies on certified WBE vendors to ensure the integrity of their procurement processes.

AC Video Solutions specializes in Video System Design and Integration, Digital Signage, Live Event Streaming, A/V System Design and Installation, Operations and Technology Consulting, Studio Design and Construction, Service Contracts, as well as Video Production Services.
