

AC Video Solutions Hires Jim Lien As Director Of Sales And Business Development

Broadcast industry veteran to make an immediate impact.

NEW YORK, NY, March 06, 2017 **/24-7PressRelease/** -- AC Video Solutions is pleased to announce the addition of Jim Lien as Director of Sales and Business Development to support its continuing growth. Lien's diverse industry background, including work with Grass Valley, Snell & Wilcox, Leitch, Pixel Power, Christie Digital, RadiantGrid/Wohler, Harmonic, and Aurora Multimedia, is perfectly suited for his new role.

With over thirty-five year of experience, and a broad knowledge base that includes video engineering, production, satellite transmission, system integration and project management, Lien is expected to make an immediate impact.

"We are excited to have someone with Jim's experience and high-level customer service standards join the team to support our current projects, partners and customers," said CEO and Managing Partner Andrea Cummis, "his responsibilities will include equipment sales throughout the Northeast and Mid-Atlantic regions with initial focus on Playbox, Harmon, Livestream, IPtec, MNC Software, and Sprite Media as well as system integration and extended warranty sales in all vertical markets."

Lien holds a BS-EET from Thomas A. Edison University, Trenton NJ and an AAS in Electronic Communication from the University of Southern Colorado. He is also a member of SMPTE and a certified SBE TV Broadcast Engineer. "I'm extremely excited to be joining the incredible team here at AC Video Solutions," said Lien, "and look forward contributing on many levels as the company continues to expand and diversify."

AC Video Solutions specializes in Video System Design and Integration, Digital Signage, Live Event Streaming, A/V System Design and Installation, Operations and Technology Consulting, Studio Design and Construction, Service Contracts, as well as Video Production Services.
