

## Container King Co-Sponsors Local Arts Festival for Shipping Containers

*"Art-On-A-Can" One Day Arts Festival to be Held at Box Office Warehouse Suites*

FORT WORTH, TX, August 30, 2017 **/24-7PressRelease/** -- It makes sense if you think about it, co-sponsoring an Arts Festival being held at the first and only business park in Fort Worth made entirely from [shipping containers](#) that you supplied, and that's exactly what Container King of Denton, Texas did!

With everything tying in together, the stars are, indeed, perfectly aligned for March 17, 2018 for the festival. The plan is set to be held at Box Office Warehouse Suites.

Since 2006, [Container King](#) has been supplying quality new and used shipping containers for commercial use. These shipping containers are only of the highest quality, and personally inspected by the Container King professional crew. Customized containers are also available, as are all the accessories you'll need for the whatever purpose you may need them for. But rather than us telling you about Container King and their fine products, it would be best if you experienced the finished product "in flesh" so to speak, and that can be possible at Box Office Warehouse Suites in the [Alliance Area](#) of North Fort Worth. There you will see thirty-eight business suites made out of 100 shipping containers provided by Container King, all designed and retrofitted, with the help of Hue Architecture, to meet the needs of practically any small business.

It is only natural that Container King co-sponsored the upcoming Arts Festival.

"Let me tell you something about our co-sponsors for this event," [Ron Sturgeon](#), owner of Box Office Warehouse Suites recently said. "Each and every one of them signed on without any arm-twisting. We told them what we wanted, we told them that this event would benefit SPCA of Texas, and we told them that we wanted to showcase the fantastic street artists, and graffiti artists, in this area. They immediately signed on to our team, and I'm very proud of them and extremely grateful."

Besides Container King, the other sponsors of the Arts Festival are: [Salon & Spa Galleria](#) \_\_\_\_\_, [Ron Sturgeon Real Estate](#), [Hangman's House of Horrors](#), [Box Office Warehouse Suites](#), [Blue Mound 287 Self Storage](#), [Linda Allen State Farm](#), [Made in Fort Worth](#), [Dallas Car Storage](#), and of course, [SPCA of Texas](#)!

Sturgeon says everyone is welcomed at this kid and pet friendly event. Admission is \$5 and kids under 12 have free admission; 100% of the entrance fees go to [SPCA](#). You can purchase your tickets at EventBrite.com, on site, or for advanced tickets go to [Graffitiartfestival.com](#).

Box Office Warehouse Suites is located at 1953 Golden Heights Road, just north of Fort Worth in the [Alliance area](#), off the Interstate 35 at the Golden Triangle Exit. The Festival will run from 11 a.m. to 5 p.m. on March 17, 2018.
