

Scribendi Continues to Be a Great Place to Work®

Scribendi secures Great Place to Work® certification for 2020.

Chatham, Ontario, May 1, 2020: Scribendi has been certified once again as a [Great Place to Work®](#). Great Place to Work® strives to recognize great workplaces, going far deeper than analyzing employee perks and benefits.

While those are important facets of work, obtaining Great Place to Work® certification requires a business to offer its employees much more. As noted on the [Great Place to Work® website](#), "A great workplace is about the level of trust that employees experience in their leaders, the level of pride they have in their jobs, and the extent to which they enjoy their colleagues."

After obtaining extensive and anonymous feedback directly from employees, Great Place to Work® has certified Scribendi for 2020. Scribendi's employees have said the company is indeed a great place to work because of its collaborative corporate culture, encouragement of creativity and innovation, and emphasis on wellness and work-life balance.
