Mentoring New Military Spouses From Day One

The New Military Spouse Support Program provides peer-to-peer mentorship and support to all new military spouses from the beginning.

What we do:

Serve, Advocate, Educate, Empower, Support & Connect
new military spouses from all branches to their assigned Family Readiness Center & Resources

What Our New Military Spouse Support Program Offers:

Welcomes new military spouses to the military family and provides them peer-to-peer mentorship to answer questions and receive guidance regarding benefits, military lifestyle, prepares them for their first Permanent Change of Station (PCS) and much more.

Our Platforms & Areas of Focus: Finance, Deployment & Reintegration, Career & Employment, Mental Health & Wellness and Education
