

# Elite Rendezvous | One-Page Press Kit

## Summary

Elite Rendezvous is a boutique, privacy-first matchmaking and coaching service for single parents and busy professionals. We replace app chaos with private, values-aligned introductions, simple coaching, and clear follow up so time and privacy are protected.

## Who we serve

Single parents and high-intent or busy professionals who want real connection without endless swiping. Based in Tampa Bay and working virtually across the United States.

## What we do

- Private, vetted introductions that fit values, lifestyle, and family logistics
- One-to-one relationship and date coaching with practical, fast wins
- Concierge touches for clients: venue suggestions, reservations, reminders, after-date follow up
- Optional background checks for added peace of mind
- Elegant mixers and small-group experiences

## What makes us different

- Privacy first with a clear yes or no after each meeting
- Time-aware process that cuts noise and ghosting
- Cross-cultural openness by preference, not pressure
- Free Member Database widens the pool without a public profile

## How it works

Clarity consult. Private profile. Curated shortlist. Guided first meeting with a simple plan for time and place. Feedback loop with kind next steps.

## Founder

Felicity Morgan, Certified Matchmaker and Certified Relationship and Dating Coach. Background in risk and structured communication guides strict privacy standards, thoughtful screening, and kind communication.

## Approved quotes

“Preference matters and openness matters. We help people meet with intention and keep the process calm.”

“We protect time and privacy so busy adults can focus on one clear yes.”
