

# Mass Media Visibility

## PR Newswire National Wire Distribution

Your release is distributed nationally through PR Newswire's established wire network, reaching approximately 1,500 media endpoints across digital newsrooms, financial platforms, and broadcast affiliates. The following publication list is a representative sampling of outlets that may appear in your PR Newswire performance report. Actual reportable pickup typically ranges between 250–300 publication links, as reflected within your official PRNewswire.com analytics dashboard.
